Men Women Footwear Apparel Brands Sale About

Our Story

We opened Paceline in 2015 with one goal — to build the running shop we'd always wanted. A decade in, we're still hand-picking every shoe, every layer and every accessory for runners just like us.

01 · WHY WE EXIST

We're all about the run.

If your aim is 5K or 26.2 miles, on road or trail, we're here to prepare, empower and equip you — from your first training run through to race-day. Our blend-and-tested range covers road, trail, track and field, apparel and accessories, with zero compromise on performance or style.

Paceline is small and independent, but the community around it is anything but. We run our own weekly club, host free gait analysis, and partner with local charities so 70% of profits from kids' kits go to Girls Run Glasgow.

Whatever mile you're on, we want to be your shop. Come say hello.

— Rae & Jamie, Founders

02 · WHAT WE STAND FOR

Three things we won't compromise on.

01

Curated, not sold to us.

Every brand we carry has been tested, worn and vouched for by our team. If it doesn't perform on a Glasgow winter long run, it doesn't go on our wall.

02

Community over transaction.

Free gait analysis, weekly run clubs, and real advice. Say hi for shoes, stay for the miles. And for free… don't go be loved up right.

03

Craft in every detail.

From how we lay out the room to how we pack an order — we sweat stuff others don't. We've spent a decade watching how people run, and it shows in the way we do it.

03 · TEN SEASONS IN

How we got here.

2015

Doors open.

Rae opens a 40-sqm shop in West Kilbride with 3 shelves of used and end-of-lines.

2018

The clinic launches.

Free gait analysis and injury consults every Saturday — booked out in weeks.

2022

Weekly run club.

Every Wednesday, 6pm, from the door. Started with 4 runners, now averages 50+.

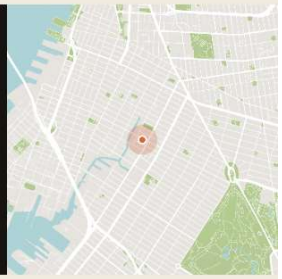

2026

40 brands & counting.

Twenty locations in, still hand-picking every product. See you soon — somewhere.

04 · COME SAY HI

Visit us in

05 · MEET THE FOUNDERS

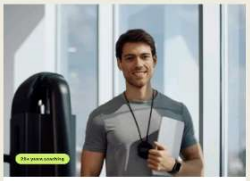

The people behind the shop.

Rae Sinclair

Founder & Head Buyer

A former GP who'd rather be out on the trail and still runs the Wednesday club — solo-3 marathons, twelve times over.

Jamie Roy

Co-Founder & Coach

Sports physio and coach with two decades in the sport. Runs our free Saturday clinic, coaches the club, and knows more about your pain than you do.
